DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: many references in the art disclose a method of operating a display system in a vehicle for finding a suitable parking space, the method comprising recording an area of observation in the vicinity of the vehicle with at least one camera; processing image data coming from the camera; displaying on a display screen; and superimposing a parking place symbol, such as found in Mizusawa et al. (US 2002/0175832). The prior art of record does not teach or suggest, in the claimed combination, a method for finding a suitable parking space that including a specific detail of superimposing a parking space symbol that is generally parallel but offset from a current position of the vehicle and positioning the vehicle in a suitable starting position for approaching the potential parking place whereby the parking place symbol being moved and brought into complete correspondence with the potential parking place providing a visual indication as to whether the potential parking place is of sufficient size for the vehicle.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
